

Kennison Field Reserved Seating

As a result of overwhelming requests from district patrons and prior reserved seat holders, the Hermiston School District has announced reserved seating opportunities at the new Kennison Field complex beginning this fall 2013 athletic season.

Community members may purchase a reserved seat for \$100.00* which secures him/her an identified seat for all Hermiston School District fall 2013 events. The reserved seat rental does not cover the price of admission.

There are a total of 244 seats available, centered on the 50 yard line. The seats are contoured "stadium seats" with back and arm rest supports. Aisle widths have been increased to allow significantly improved leg room from the old bleacher system, and aisle elevations have been increased to nearly 1.5 feet between rows for outstanding viewing clearance from the spectator in front.

The reserved seats are "first come first serve" with priority given to principal Kennison donors and prior reserved seat holders from last season.

If you are interested in securing your reserved seat, please contact Teri Allstott, Athletic & Activities Secretary at 541.667.6118

**A portion of this fee may be tax deductible. Please confer with your financial advisor.*
